Refce:-

Letters nos 162 and 206 of 4th May and 23d June/97 respectively from the Amrut Mahal office regarding the services of Darga Adam Sheriff.

—"—.

Adam Sheriff entered the service of the Amrut Mahal Deptt on 12th Septr 1877 when it was under the Madras govt, and was transferred to the Mysore Service on 1st June 1882 when the department was made over to the govt. He was thrown out of employ on 1/4/87 owing to the reductions in the nos of herds and, however re-entertained on 14th Decr 1893 ie after a ~~lapse~~ break of 6 yrs. 8 m. 13 d. Vide statement attached.

In the letter under reference the amount

Office solicits orders
on two points.
(1) for reckoning 3 years
as Mysore Service under
art 417 of the Mysore
Service Regn out of the
service of 4-3-19 under
the Madras Govt upto
1st January 1882.
y. m. d
(2) for the break of 6-8-13
referred to above being
condoned & under clause (d)
~~of~~ art 273.

As regards the 1st point
it is submitted that
only one-half of the
service rendered under
the British Govt viz 2-1-25
y. m. d
is allowable under the
article quoted and not
3 years as stated by the
Accountant General office.

As the Darga was thrown
out of employ owing to the
reduction in the Deptt
and reemployed subsequently
(no matter after what length of time)
no condonation is necessary

within the meaning of article 273 clause (d).

However before dealing with the 1st point under the rules, it is necessary to acquaint ourselves under what arrangement the employees of the Amrit Mahal Deptt were transferred to the Mysore Service when the lands were made over thereto. Whether the Madras Govt agreed to bear the proportionate shares of the pensions of the employees so transferred is not ascertainable as the papers relating to the transfer of the Deptt from the Madras to the Mysore Govt are not forthcoming in the office. A draft docket calling for copies of the papers bearing on the subject

is herewith submitted
for approval.

The Superintendent — Amrit Mahal Department who was written to, stated in reply that no definite arrangements seemed to have been agreed to between the Madras and Mysore Governments regarding the Services of the officials in question and ~~these~~ that these officials did not pay any contribution towards pension. Thereupon the Comptroller was — consulted as to how — their Services prior to — their transfer to the Mysore Service should be dealt with. The Comptroller has submitted his opinion in which he says that under the existing pension rules as promulgated in the Mysore Service Regulations, these officials are not entitled to any pension for their British Service and that art 417 of the M. S. Regulations cited

We cites the cases of
Gulam Mohommed late

recommends that as was
done in these cases, the
Govt may reciprocally

the British Govt do

Submitted:

The case of Daroga Adam Sheriff is exactly similar to that of Gulam Mahomed late Nd. Clerk of the Plantation Office Bangalore. When the Amrit Mahal Depth was made over to the Mysore Govt. on 1st Jan. 18[illegible] the services of both of them were transferred to the Mysore Service. In the case of Gulam Mahomed the British Govt have accepted their liability to a proportionate share of pension payable to him for service rendered under the Br. Govt prior to the transfer of the Amrit Mahal Depth to the Mysore Govt. The Comptroller on this ground and on the ~~authority~~ analogy of art 427 of the C.S. Regs is of opinion that the Durbar may reciprocally count service rendered

-ii-

in the Amrut Mahal
Deptt. prior to its transfer
from the Medras Govt.
and accept the proposed
line of division as is
being done in all such
cases (Please see paras 3 & 4
of his letter No. 6927/760 dt/12th May'02).
Thus, it is respectfully
submitted that a reference
to the Residency on the
subject may be avoided.
As regards the request
made by the Officer in
charge of the Amrut Mahal
Deptt. in his letter No. 1629
dt. 9th May 1902, it is submitted
(1) that Art. 417 of the Fin. S. Regns
is inapplicable to the
case of Daraga Adam Sheriff
as pointed out by the Comptroller
in his letter above referred
to, and moreover the necessity
for action on the part
is obviated by considering the fact
that the whole of the Br.
service of Adam Sheriff
is treated as being treated
as qualifying in addition
to his Mysore Service

as was done in the case of Gulam Mahomed, subject of course to the rule of proportion.

(2) that the condonation of the break in the service of Adam Sheriff is unnecessary as the loss of appointment owing to a reduction of Establishment, does not entail forfeiture of past service under Art. 273 (d) of the M.S. Regns.

Further it is submitted that the request of the Officer in charge of the Mussal Mahal Department, is contrary to Art. 476 (a) of the M.S. Regns., as Darogah Adam Sheriff had not actually retired from service ~~at least~~ at the time when the reference was made.

In reply to the Secretary's query "Is it not usual to ascertain what the amount to be contributed by the Br. Govt. would be?

it is instructed that in
cases in which the pension
is apportioned partly to the
Mysore and partly to the
British Revenues, it is
usual for the Auditor,
on the receipt of the
pension application to
calculate the portions
payable to the two Govts
and having obtained
the consent of the Accountant
General, to proceed on the
pension application for
the basis of both, a
provisional advance being
made by the Auditor, to
the Govt in cases in which
he and the Accountant
General cannot agree or
when there are no precedents
to guide him. Moreover
as the pension application
of Mahomed Ameer is not
received, it is impossible
to ascertain what the exact
amount to be contributed
by the Mys Govt would be

as the Br. Govt. without the verification of service rendered under it, would not consent to pay any proportionate share.

It is submitted that the Officer in charge of the Naval Medical Depot. may be informed that the questions raised by him will be considered when the pension applicn. of Adam Smith is submitted for the orders of Govt., their present consideration being — contrary to art. 476 (c) of the Nn. S. Regns.
A draft of the orders is also submitted.

Revenue & Jeneral Depts

Sir,

I have the honor to submit the following for the orders of Government.

Adam Shariff was Daroga in this Department from 12th September 1877 to 31st March 1887, when he was thrown out of employ owing to reduction of herds from 30 to 16 and Darogas from 7 to 4. When in 1893 the number of herds was increased from 16 to 22 and Darogas from 4 to 6 Adam Shariff was taken back to Service on the 12th December 1893. He applies for the condonation of the break in his Service

Under clause (d) of Rule 273 of the Service Regulations and clause (II) of Rule 275 and Rule 417, I solicit orders for reckoning

the Service for 3 years under the Madras Government prior to 1st January 1882 when the Amrut Mahal herds and the Establishment were taken charge of by the Mysore Government and subsequent Service up to 31st March 1887.

The reason for making this application at this stage is that in the Service Register prepared and forwarded to the Comptroller every year, only the Service from 12th December 1893 is entered and the previous Service is excluded.

I have the honor to be
Sir,
Your most obedient Servant

Sir,

With reference to your docket No: 17169/1193 of the 23rd Ultimo, which is a remainder to your docket No. 3979 dated 25th September 1897, requesting my opinion as to how the Services of the Officials of the Amrut Mahal Department prior to their transfer to the Mysore Service on the 1st July 1882, should be dealt with, I have the honor to state as follows:-

1. The Mysore Service Regulations do not provide for the grant of pensions to officers transferred from the British Government.

2. Article 414 of the Regulation directs the officer in charge of the Amrut Mahal Department refers to officers transferred from the Imperial Government to Mysore as [illegible]

3. In the case of the Imargenially named officials who had rendered Service bot in the Amunth Mahal Department an Mysore Government, the British Govern ment accepted liability to the propor tionate shares of their pension, and thei applications for pension were finally disposed of in Government Pro: No: 4419-2/75 dated 13th Ju and 2505V/251 dated respectively the 13th Ju 1891 and 18th August 1900.

4. As under Article 427 of the Civil Servi Regulations, the British Government accept the proportionate share of pens in the case of officers transferred from Mysore before 1st October 1882, I am of opinion that the Government of Mysu may reciprocally count Service, rendered the Amunth Mahal Department prior to its transfer from the Madras Governme and accept the proportionate share of pension as is being done in all such case
